

Dementia Essentials

CHCAGE011 – Provide support to people living with dementia

This nationally-accredited course is designed to assist workers supporting people living with dementia. Strategies are explored to assist with good communication, planning, developing appropriate activities and understanding behaviour in people living with dementia.

2 day program

Topics include:

- Person-centred care
- The nature and progression of dementia
- Effective communication
- Impact of dementia on people living with dementia and their families
- Activities for engagement
- Effective use of Assistive Technologies
- Legal and ethical considerations
- Identifying elder abuse and restrictive practices
- Understanding changed behaviour and developing effective responses.

You **MUST** be able to undertake workplace-based practical assessments, interacting with people living with dementia.

Face to face

Venue:

Dates:

Duration:

Cost: Fully funded
